Dear Peter

Please find revised drawings showing the existing park entrance unchanged on the proposed, and reference to it's alteration removed. I also attach a revised D&A Statement as this also included reference to the park entrance being moved.

I hope this is now OK

Thanks

Liz

Dear Liz

Thanks for the confirmation, having looked at it further though and considering how to amend the submitted plan, it will be best to amend the proposed plans as the elevations show the new detail and layout to the existing wall and I cannot just delete this from the plan.

Hopefully you can amend the plan in due course and we can continue with the application.

Kind regards

Peter

Dear Peter

Please delete reference to works to the boundary wall of St Nicholas Gardens and note this does not form part of the above Application as it is outside the ownership of the Applicant. The applicant and owner of the wall will be negotiating separately for any works to the wall. Please could you delete any relevant notation on our drawing to this effect.

Thanks and kind regards
