re: Application No A/112/12
The Lamb Inn, Angmering

Application for Decking Area to rear of Lamb Public House

As a residents of Church Road, Angmering we are writing to express our concern with regard to the above planning application.

- 1) It is likely that there will be increased noise pollution into St Nicholas Gardens, which are to the rear of our property.
- 2) Will sufficient vehicular access be made to St Nicholas Gardens to enable it to be properly maintained, particularly for regular grass cutting and care of shrubs and trees?

We would be grateful if the planning committee would look particularly at these two points when considering this application.

Yours faithfully
