Apologies,

There was a note there originally, it must have been deleted when updating. Yes this window will be obscured non opening as mentioned.

Kind regards

Hi Anita,

Can I just double check you mean the new window added recently to the elevation fronting the highway on the side extension?

Kind regards

Dear Mr Green,

I refer to the above application and can advise that for the proposed window in the side elevation to be considered permitted development it must be obscure glazed and non-opening below 1.7m. There is no note to this effect on the plan and I would appreciate your confirmation accordingly

Regards

Anita Gardner
