19th August 2019

Dear Mr Albert Mariner

Development:

Property (approx 12 acres) is subject to general TPO (believed ref TPO/A/4/75). Affected tree is a mature Oak which has sustained storm damaged over a number of years; last month a large bough fell away, leaving the remainder unbalanced and now biased towards adjacent static caravan. Work to mitigate previous torn areas of main trunk to limit ingress of water / onset of disease, plus to remove large lower bough to redress balance of overall tree.

Location:

Acorns Arundel Road Angmering
