Subject: A/114/17PL - Widen Hangleton Lane

Dear Anita,

I have looked on the Planning Portal today and have taken on board some of the observations from WSCC and the two residents of Hangleton Lane that have objected to the scheme.

I have decided to reduce the length and breadth of the proposal to just take into account the small area of the mud bank that some transporter drivers scrape when they do not exactly get their exit correct. This will hopefully resolve the possible issue of possible public parking as it will now just appear to be an extension of the Cobbins entrance apron.

The engineers are re-drawing the scheme and hopeful we will have an amended scheme to you by the end of the week. I hope you can treat this as a minor amendment.

Kind regards,

[REDACTED]
