Subject: RE: Planning Consultation on: A/114/18/PL

Economic Development has considered this application and would comment as follows.

We acknowledge the job creation but these jobs are not in a sector that is currently a focus for us.

We would ask that if permission is granted the developer works with local businesses to provide opportunities during the build process for them to be a part of the supply chain. The Economic Development Team is very happy to work with the developer to help this happen.
