Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: A/114/22/DOC
Site Address: West End Cottage Roundstone Lane Angmering BN16 4AX
Description of works: Approval of details reserved by condition imposed under ref A/144/15/PL relating to Condition No 15 - ecological enhancement scheme.

Thank you for your internet representation made on 12th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48081

This is one of three current Discharge of Condition applications posted on your website to which I object. They are A/88/22/DOC, A/114/22/DOC and A/115/22/DOC for the development on the West End Nursery site now called Cresswell Park and relate to significant changes to the arrangements for surface water drainage following reported concerns.

The surface water drainage arrangement outlined in the full planning application A/144/15/PL appeared reasonable but it appears that the drainage arrangement implemented may differ significantly from that. In addition it seems from A/88/22/DOC that works have already commenced.

Because the implications of these works could be significant I feel they should be the subject of a separate full Planning Application with the associated advertising on site.

Specifically I believe that A/88/22/DOC is lacking in providing the sufficient evidence in the form of calculations etc. that these proposed works will satisfactorily resolve the reported drainage problems.

I am aware that Angmering Parish Council has expressed concerns with regard to A/88/22/DOC which I support.

Your views as made above will be considered before the application is determined.
