Yes, the conditions regarding surface water drainage, discharging to a watercourse and maintenance manual may be discharged

Regards

Tom

Tom,

Sorry to pedantic but can you confirm that you are happy to discharge conditions in respect of

- Surface Water Drainage
- Discharge into watercourses
- Maintenance & Management of SUD's?

Thanks, Neil

The calculations, discharges to the watercourse and maintenance manual are fine with regards to discharging the relevant conditions.

Adjustments may possibly need to be made to the layout at the highways adoption stage, which will be dealt with at that time by WSCC Highways.

Regards

Tom
