Dear Andrew,

As per our previous conversations and your comments, there's no issues with the application so we should be expecting that the Application is approved by the 08th of September.
I agree with this extension of time request until the 08th September.

Many thanks

Kind regards

Joao Marques

Mr. Marques,

I have discussed the matter with Mr. Hornsby and he is amenable to an Extension of Time until 8th September at the very latest. Could you agree with this request by return of email.

I will put it to the front of my queue of applications to process as it is not considered that there are any issues with the application and no neighbour complaints have been received. I will be recommending the application for approval subject to my line managers approval as it will be dealt with under delegated authority.

Best Regards,
