Dear Garry and Chris,

I have written the report (approval) for the removal of the link condition A/119/19/PL. However as a newer application the consultation period has yet to expire. I am requesting an extension of time until 2 days after the consultation period has expired, to allow any comments to be taken into account and a decision to be issued. The consultation period expires on the 14 October so I am seek an extension of timer until the 16th October.

I am currently writing the report for A/28/19/PL and this will be my focus until it is written. As such I am requesting an extension of time until next Thursday 03/10/2019. I aim to have it written before then but this will allow time for the area manager to check and sign off the report etc. I apologise for the delay on this application.

I look forward to your reply to this e-mail, regarding the above, asap.

Yours faithfully

Hi Richard

Can you provide an update on this please? I am leaving Future PD on Thursday and I would really like to get this issued before then.

Also, Juan stated that you will be determining the application for the removal of the path by 27 September 2019, can you confirm this will be processed too?

Many thanks
