Edward

Given that there are matters such as access and the railway crossing that are linked between the Store Property and the M&S proposal Neil Crowther has agreed that the applications could go to the same planning committee but this will be reviewed as we go forward as we would not wish to hold up one application for another unnecessarily.

Can you confirm that you are agreeable to an extension of time through to 30 June to allow you to provide the information requested by consultees.

The DPDS report will require to be reviewed by Counsel in advance of the application going to planning committee along with my committee report when the time comes.

Regards

David
