Dear David

OBJECTION TO A/11/17/OUT – APPLICATION AT LAND SOUTH OF NEW ROAD AND EAST OF BROOK LANE, ANGMERING

We are currently reviewing the retail audit advice from DPDS dated June 2017 and understand that the response has been reviewed and commented on by Counsel. In order to inform our interpretation and comments we would be very grateful if your Counsel's advice could be made public alongside the DPDS response.

Given the importance of this document in light of our representations to date, we wish to reiterate our objection to the application until we have had the opportunity to review the response in full. We will be providing our comments on the analysis on or before the 28th July 2017 which we trust you will agree is an acceptable time period.

As discussed above, we will seek to respond as quickly as possible, however, we would be grateful if you could clarify the timescales for the determination of this application please.

Yours faithfully
