Dear Miss Bartlett

**Change of use of vacant building from family activity centre (D2) to farm shop (A1)
Vacant Building at Rustington Golf Centre, Golfers Lane, Angmering**

Further to our telephone conversation I write with reference to the above application to confirm that we will be employing a retail consultant to consider the submitted Economic Development Assessment.

There will undoubtedly be a delay receiving the response from the retail consultant and therefore, I thought best to inform you that it will be unlikely that we will come to a decision on the application in the 13 week period ending 15th November 2011. I should advise that this date varies to that in our letter to you dated 16th August 2011 which stated the expiry of the application being 11th October 2011. This was incorrect as the application was acknowledged as a minor application whereas it should have been a small major application which allows a 13 week period for the consideration of the development.

As you are aware, there were no pre-application discussions to this proposal and therefore the application will take longer to determine as a result. Notwithstanding this, we will endeavour to make a decision at the earliest opportunity.

I trust this information is of assistance to you and should you wish to discuss this matter further please contact me on the above number.

Yours Sincerely

PC.

Peter Cleveland
