2nd August 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Detached double garage & single storey extensions to existing garage.
Harcourt West Drive Angmering

Thank you for your internet representation made on 1st August 2017 which has been recorded as '**an objection**' with the comments as follows:

Although I am not a resident of the estate, for the past 7 years I have been a frequent visitor, as I have friends and family in the area. It is my fondness and respect for the area that compels me to write this today.

Part of the reason I enjoy visiting so much is because of the open and green character of the estate, a patch of the countryside by the sea.

I was dismayed to hear about the plan to remove yet more of this precious green space, in the form of a double garage along the side of West Drive. I should not have to mention that a large area of nearby once-green space is currently being developed on, despite strong opposition from residents. Developing land to allow more people to live on an enjoy the estate is one things, but to develop the land with needless outbuildings and auxiliary garages seems like a great waste.

I must say that as someone with a great love of the area and its unique character, clearing over yet more green space in service of needless suburban sprawl is a terrible shame.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
