Dear Mr Tidey,

Town & Country Planning Act 1990 (as amended) s211 Notice

Prior Notification of Work to Tree(s) in a Conservation Area

Development: 1no. Leyland Cypress tree (T1) to be felled.
1no. Group of mixed species (TG1) is to be cut back to the boundary line from base to upper extent where necessary.
1no. Group of mixed species (TG2) is to be cut back to the boundary line from base to upper extent where necessary.
Trees are within Angmering conservation area.

Location: Church Farm House Rectory Lane Angmering BN16 4JU

Thank you for the information you have sent following my previous letter. Unfortunately I am still unable to accept the notification as valid until the following matters are resolved:-

TG1 and TG2 - please specify the proposed measurements of each tree after the proposed works.
Eg. a crown reduction to reduce the height of the tree to 1 m and the spread of the tree to 0.5m.

Please identify T1, TG1 and TG2 on the same sketch map, the current tree location plan does not identify T1 which you are proposing to fell.

For further guidance, please refer to the list of validation requirements for tree applications on our website: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

If providing additional documents or information, please email it directly to us at: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **4th July 2022**. If this information is not received by this date, I will close the file as incomplete and you will have to submit a fresh application.

If this letter has crossed with you providing the information, please ignore it.

Yours sincerely

Neil Crowther
Group Head of Planning
