30th September 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for the erection of up to 160 dwellings with public open space, landscaping and sustainable drainage systems (SuDs), vehicular access point from Arundel Road together with up to 557 square metres of B1/B2 units with associated parking provision & vehicular access point from Arundel Road & land made available for expansion of current sports pitch provision to form a sports-hub (following the demolition of existing commercial units and one bungalow) (resubmission following A/36/18/OUT). This application is a Departure from the Development Plan.

Land off Arundel Road Angmering

Thank you for your internet representation made on 28th September 2019 which has been recorded as **'an objection'** with the comments as follows:

I object with several points:

The current plan would require purchasing our 2 parking spaces within Decoy Drive. I have received no direct notification of this and would be curious as to where it is suggested the 30 cars using their own spaces would park?

Every amber weather warning for rain leads to my living room flooding, by putting 160 properties and removing trees not only will this worsen surely the 160 house will flood? St Margaret's and Angmering Medical centre do not have space for further families, they were both built as small village centres not made for such a large increase in population. The thickets suggested would not be adequate to rehome the animals living amongst the fields, we walk across to the ponds daily seeing deer herds, birds of prey and obviously ducks.

The hammerpot turning is not safe to be a main turning point for all using sports hub and new homes, recent accidents and a death surely show how such a large dwelling should not be placed near a 70 road and downhill, corner turn.

There is no need or request for a sports hub, we have worthy leisure centre locally and the current fields are rarely booked. I cannot see how such a large space solely for sports can be justified.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
