Subject: A/122/19/OUT - Land off Arundel Road, Angmering

Further to my Emails dated 3 October and more recently 22 October.

We write to confirm that the response on the 3 October was **NO OBJECTION** which included comments for the agent to review from football and cricket to ensure its fit for purpose.

On review of the recent email from the agent, the Football Foundation via the County FA confirm that they advise that rather than create/build two new grass pitches, put the investment into a new 3G (adjacent site).

The ECB advise that the agent's 'ball strike report' from Labosport is consistent with the ECBs recommendation and as such have no further comments.

As stated previously Sport England offers its general **support** for this this application, as it is considered to meet Objective **PROVIDE**. But we have advice and guidance on the future provision that needs to be considered to ensure a fit for purpose development for sport.

Gary Parsons MSc MRTPI
Planning Manager

Thanks for your Email. I still await comments from the ECB and FA (through the Football Foundation). SE will respond as soon as we get those comments.

Please note I will be on annual leave for a few days due to half term and have some meetings planned on my return next week.

Regards

Gary

Dear Gary,

Please see the email below and the attachment from the applicant in reply to Sport England's consultation response to A/122/19/OUT.

I look forward to receiving your reply.

Kind regards,

Michael

Hi Michael,

Apologies for the delayed response but I was on annual leave when your email was received.

I've seen the Sport England response dated 3rd October 2019 and note they have no objection to our proposals and conclude with their general support for this application. It appears all of their points relate to works falling outside the scope of our submitted application although I discuss these below, and welcome further discussion in our meeting on 22nd October:-

Strategic Need for the Facility

The Arun District Council Playing Pitch Strategy Assessment Report (<https://www.arun.gov.uk/download.cfm?doc=docm93jjm4n10206.pdf&ver=10127>) says on page 17 "The changing facilities at Palmer Road Recreation Ground are in the process of being addressed and updated, creating more appropriate facilities to support the pitches at the site" and lists Angmering (two adult pitches and changing facilities associated with Palmer Road Recreation Ground) where new pitches are planned.

It would be envisaged that Sport England would be engaged as part of any application for the redevelopment of the Palmer Road site (including the area of our current application allocated for two football pitches). This would likely pick up their points about the strategic need for a facility of this sort and we believe the robust Playing Pitch Strategy is already in place (your report linked above) to justify a 3g artificial grass pitch – although again this falls outside the scope of the current application – maybe Joe can comment in more detail in respect of their detailed comments relating to AGP and LFFP.

Facility Design

It is agreed this is important however the new sports facilities would be subject to a separate planning application and therefore fall outside the scope of this application. It's likely any subsequent submission for the sports facilities would need to comply with the guidance given in the response.

ECB's comments in respect of Ball Strike are noted and we had a report prepared for the previously submitted scheme (see attached). Drainage of the sports pitches falls outside the scope of our application and would need to be addressed as part of the detailed application for the sports pitch remodelling. It is pleasing in the terms of our submission that ECB acknowledge the existing pavilion is no longer fit for purpose and we note that the guidance given should be complied with in respect of any subsequent application for the remodelling of the sports pitches

and provisions. The Football Foundation's comments in relation to the need for a 3g football pitch have been discussed above and this is outside the scope of our current application. The applicant however has no objection to this suggestion as part of our current application.

Thanks,
Steve

Hi Steve,

Have you seen the consultation response from Sport England to outline planning application A/122/19/OUT - Land off Arundel Road, Angmering?

Could you ensure that the requisite information is submitted.

Kind regards,

Michael
