Hi Michael,

Thanks for sending this through. I can confirm that I have checked the contributions and information for Sports Halls, Swimming Pools, Health & Fitness and Public Art and that the information in your draft table for these is correct. I cannot comment on the Green Infrastructure element, that would be for Joe and Sue to respond. I would ask you to be aware that there should be contribution amounts towards sports pitches and 3G pitch and associated changing provision, however, further work is required with regards to the new Sport England calculator which Joe is looking into and therefore a figure cannot be provided for these elements at this stage.

I hope that is helpful.

Kind regards
Sadie

Hi Joe, Robin, Sadie and Sue,

Please find attached a draft copy of the Section 106 Developer Contributions table, which accompanies the outline planning application for Land off Arundel Road, Angmering (A/122/19/OUT).

I have included contribution for Green Infrastructure, sports halls, swimming pools, health and fitness and public art which are based on a draft note that you submitted prior to our meeting regarding the application in October 2019.

Are you happy with the proposed Heads of Terms?

Kind regards,

Michael
