Dear sirs ,
Please find attached full application for planning permission , for a
'Temporary Marquee' , adjoining their existing
club house on the school site, included are application forms , duly
completed / site & location plans / drawing

showing the proposed Marquee , together with specification of the construction elements supplied by the manufacturer .

As have been unable to obtain the specific application fee , have offered what appears appropriate , [Operations under Part 3 (4) , 'Temporary Buildings' at cost of £96 - 00] ; but obviously should this not be correct , have been advised by your admin department , that this will be corrected , once you receive the application .

Please advise me of the reference number allocated to this application at your early convenience , and this will be paid straight away .

Trusting that all is correct (forms and plans and that the application can now be fully registered , many thanks .
