FOR ATTENTION OF NICOLA MOORE .

I will phone you in the morning ,to ask , what exactly it is you now require to validate this application , as I am sorry but out of the multitude of requirements listed , sorry , I do not understand what else it is you are looking for , and perhaps you will be kind enough to tell me , what it is specifically , you still need from me . Was under the impression that I had answered all questions raised in your last letter .

Gordon Dixon
