Good afternoon Nicky.

The correct drawing for the roof plan is 1388_P-124 as attached.
The correct drawing for the north and east elevations is 1388_P-222, also attached.

I hope that this clarifies matters and I apologise for my original mistakes.

Kind Regards

Good Afternoon

Thank you for the attached plans.

On checking the scales/drawing numbers, it has been noticed that on the application form you have listed the new Roof Plan Dwg No 1388_P104, however the drawing number submitted is 1388_P124A. Also, North and East Elevation Dwg No1388_P222 is listed on the application form, but Dwg No 1388_203 has been submitted.

For clarity, please confirm the correct drawing numbers.

Kind Regards

Nicky
