22nd November 2013

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Proposed single storey side extension and rear conservatory
1 Claremont Close Angmering

Thank you for your internet representation made on 21st November 2013 which has been recorded as '**an objection**' with the comments as follows:

With reference to the addition of a single storey extension to No.1 Claremont Close, I object to the extension in living area to this property. The properties are new build and as such have been lived in for a comparatively short time, and the size of them was self evident at purchase. Any increase in the size of the dwelling may increase the number of people dwelling in the property, and the impact on the local community would be to increase congestion and the blocking of the adjacent public footpath by cars, which happens regularly since the building of these houses. Clearly the facilities for parking provided within the close itself are not adequate as things stand, so to increase the number of cars parked will cause further nuisance and annoyance to everyone using the footpath, which is a common local route to the shopping area in Angmering. I trust this will be taken into consideration with the application.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Assistant Director Planning & Economic Regeneration
