A/126/18/PL

The proposal to introduce a more permanent surface material to the car park is considered to be acceptable as it will enhance the appearance of the area. It is therefore considered to be in accordance with policy HER DM3 of the adopted Arun Local Plan (2011-31).

However, it is not clear what colours the materials will be. This will need to be supplied to the council, but can be done by way of condition.
