Dear Mr Adams,

I am emailing you following our earlier telephone call, to request an extension of time until next Wednesday to allow the application to be signed off by the Area manager. I have written the report with an Officer recommendation to approve. Additionally, the following materials condition has been imposed:

No hardstanding (including shingle) shall be laid or installed until details of the proposed materials, including their proposed colour, have been submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the hardstanding hereby approved.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of the character and appearance of the area/Conservation Area by endeavouring to achieve a development of visual quality in accordance with policy D DM1 and HER DM6 of the Arun Local Plan.

I hope this is ok?

I look forward to hearing from you in writing, reply to this email, regarding the above matters

Yours sincerely
