Subject: 53 Mill Road Avenue Extension

Dear Sir/ Madam

RE: 53 Mill Road Avenue Extension

A\130/18/NMA
A\159/18/HH
A\128/18/CLE
A\132/18/HH

The issues around this extension has always been principally concerned with the finished aspect of the large, rear first floor elevation of the property.

The proposed cladding and vast areas of glass bear no relationship to adjacent properties.

On a personal note, the large rectangular extension dominates my back garden. Privacy issues become daunting, as there appear to be windows and glass doors overlooking numbers 57 and 59 of Mill Road Avenue.

Trees that camouflaged number 53 have been felled over recent years, so we feel exposed.

Conclusion

There has been no neighbourly discussion since this development started in August. In our community, June and Colin Chandler and myself, feel rather let down. So we feel the lack of neighbourly concern in a small cul - de - sac.

With the above points in mind, I am attending your meeting of the Housing, Transport and Planning Committee on Tuesday 30th October, and am happy to expand on any of these points if so required.

Thank you for your consideration of this important issue.

Yours faithfully,

Mrs. Jenny Evans

57, Mill Road Avenue
