Dear Martyn

Please find attached revised drawing and Location Plan both marked as revision A.

I have omitted the stack to the rear, re-instated the valley and pitched roof to the rear and included a short justification note for the removal of the rear stack and proposed window.
I have also removed all reference to the sign age as requested.

I trust the above is in order and that you and the Case Officer Mrs Gardner are now in a position to determine the application but please give me a call/email if there are any further queries.

Kind regards

John

Dear Martyn

Message received.

Bearing I mind my current workload, when is the deadline for me to return a revised drawing?

I have completed and returned the 'extension of time form' which takes the determination date to 18

December direct to Mrs Gardner this week.

Kind regards

John
