Hi Anita

Apologies for the delay in getting back to you but it has taken longer than anticipated to get hold of the relevant councillors here.

The proposed amendment to the plans is acceptable to the Parish Council and the objection is withdrawn accordingly.

I am sorry that we were not in a position to advise on this before the application was set down for Development Control Committee, but perhaps you could draw this to the Committee's attention.

Kind regards

Dear Paul,

Further to my telephone conversation with you I attach the revised plans received in respect of application A/129/15/PL.

It would be appreciated if you could circulate the plans among your Members to see whether they wish to maintain their objection.

Many thanks

Anita

Dear Martyn

Please find attached revised drawing and Location Plan both marked as revision A.

I have omitted the stack to the rear, re-instated the valley and pitched roof to the rear and included a short justification

note for the removal of the rear stack and proposed window.
I have also removed all reference to the sign age as requested.

I trust the above is in order and that you and the Case Officer Mrs Gardner are now in a position to determine the application but please give me a call/email if there are any further queries.

Kind regards

John
