Subject: A/55/19 - Rond Point Ham Manor Way Bn16 4JJ

Dear Anita and Tracey,
Stephen Turrell of Offington Land Surveys came to site on Friday as planned. He hopes to get the revised site block plan to me sometime today and I will immediately forward it to you both.

He has however confirmed that the house sits exactly (+-5mm!) as per the approved 1:200 site plan. He confirms that the retaining wall has been constructed within the planning Red Line. He has confirmed that the Red Line position is correct.

I apologise for the delay.

Kind regards,

Richard B. Smith
