Subject: Application A/130/20/PL - objection by land owner

Dear Mr Denton.

Thank you for your time this morning in discussing with me details of Planning Application A/130/20/PL (Ariston, Water Lane, Angmering).

I am the owner of the land detailed in the above planning permission, which evidently is a modification of an already existing Planning Application.

I would like to raise an objection to the proposal. The land detailed in the revised application belongs solely to myself and no one else. I do not give my permission for any development on my land. For the entire time that this land is my property I will not allow any building/changes/development.

I understand that the application is based upon the applicant acquiring the land through ownership, but until such time the applicant has no legal right to choose how this land is used.

The land registry clearly shows what is written above to be true and accurate.

The title number of my property is WSX314118 (Roans, Water Lane Angmering, BN16 4EJ), which also shows myself as the land owner.

Kind regards, Thomas Brewis.
