

16 Pine Tree Close, West Sussex, Angerming, BN16 4LP

Prepared by Progress Planning

June 2021

1. Foul drainage will be connected into the existing main sewer system.
2. Surface drainage from existing surfaces will remain connected into the existing surface water system already serving the site. Surface water from new roods (additional building footprint) to the side of the property, will disperse into the garden and existing surface water system.
3. Power will be provided by the existing supplier of No. 16 Pine Trees Close, Angerming, BN16 4LP.
4. No trees will be altered/damaged or otherwise by the installation of any such services.
