Hello Nicola,

Many thanks for your below letter requesting the below information - please see attached / my comments below.

- Please amend the Block plan to include dimensions to boundaries and resubmit - please find attached amended plans.
- The proposed Site Plan should clearly show the area of the demolished garage. Please amend accordingly and re submit - please find attached amended plans.
- For clarity, please confirm what the hatched rectangle at the south boundary on the location plan is - please find attached amended plans.
- The Location Plan and Block plan red edges do not match as the location plan and site/location plan does not include the rectangle on the southern boundary. Please amend accordingly and resubmit - please find attached amended plans.
- Please submit a Foul Sewage statement -- please see attached report.

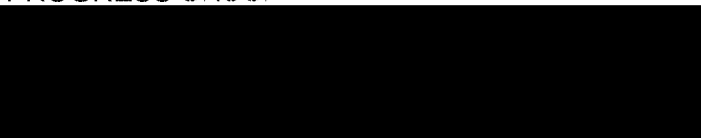

Should you require anything further, please don't hesitate to get back in contact.

We look forward to receiving confirmation of registration accordingly.

Many thanks,

Natalie
