Hi Daun

Could you please kind add these documents to the system in respect of this planning application.

It will supersede the two plans detailing the landscape.

Many thanks

Ismail

Subject: A/131/15/RES - Response to Landscaping Comments

Good afternoon Ismail,

Further to our telephone conversation in respect of the above application, we have been monitoring the consultation responses on line for the Manor Retail Park applications. We noted that two objections had been received in respect of the reserved matters application specifically relating to landscaping. Please find attached to this email substitute drawings which take on board the comments from both consultees, which we hope will satisfy concerns and allow for the objections to be removed.

Should you have any queries, please do not hesitate to contact me. In the meantime do you have a timescale for a response from your retail consultant please?

Kind regards,

Serena
