Dear Sir

PLANNING APPLICATION : A/132/11/T

'Barleycombe', Ham Manor Way, Angmering.
Fell Silver Maple Tree.

Having sought specialist advice, we consider this application to be well founded. However we would request that a replanting obligation be made a formal condition of approval.

In due course, we should be glad to receive notification giving details of your determination so that we can inform our members.

Yours faithfully

Planning Application:.....~~no felling~~
.....~~unless dead~~..... A/132/11/T

Dear Sir/Madam

The West Sussex Wildlife Protection Group opposes the planning application above.

Reasons are as follows:.....~~no felling unless~~
.....~~dead or dangerous~~.....
.....
.....

Would you please note that any felling of trees, lopping, tree surgery, ground clearance or any activity involving nesting birds during the months between April to September contravenes the Wildlife and Countryside Act of 1981 and 1985 especially if protected species are involved, also if there is any earthwork involving mammals then the Wild Mammals Act 1996 would be contravened leading to Police prosecutions.

Please contact above group for legal advice and site survey.

Yours Sincerely

Jaine Wild
Secretary
