

Supplementary information. Pls. upload.

Hi Andrew,

We have updated to state “site compound and parking” we have made the same amendment to the TMP also. If I can be of any further assistance please let me know.

Kind regards

James Elsey

James is this diagram meant to show where contractors will be allowed to park on site? If so can it be labelled accordingly?

Good Morning Andrew,

Please see attached updated site layout as well as TMP stating wheel wash to be used as well as access, egress and delivery procedures.

Kind regards

James Elsey

Mr. Elsey,
Could you please provide an update and amended plan to demonstrate the points made on the email below.

Thank you,

Andrew Wood

Andrew,

It has been brought to our attention that certain elements of the sites Construction Management Plan have not been explained in sufficient detail. Whilst the commitment to provide wheel washing and on-site parking facilities is included within the Condition advised by the LHA in December 2016 there could be some further commitments provided by the applicant. On that basis could we please ask for further confirmation in the CMP on the following:

- Wheel wash facilities
- Parking and on-site turning requirements for site operatives and delivery vehicles

An email confirming the first point and an updated plan on the second point should be suffice.

Thank you.

Regards,

Jamie
