Dear Evans,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: Identification of Trees and Description of Works

All of the trees referred to were included in Row G1 on the schedule of the TPO.

Item 1: Row of 16 Cupressus Leylandii approximately 4.5 metres tall.
These trees have been topped and trimmed annually to remove each season's growth. Last year, the height was reduced by up to 1.0m to remove the season's growth. The present proposal is again to remove the top growth of approximately 1 metre. In addition, the seasonal growth will be trimmed on both sides. This will maintain the overall height as agreed with our neighbours and keep a tidy appearance with the tops even and level and the growth denser.

Item 2: Row of 8 Cupressus Leylandii approximately 4 metres tall.
These trees have been topped and trimmed annually to remove each season's growth. The present proposal is again to remove the seasonal growth to maintain a tidy appearance of the hedge, as for Item 1.

TPO ref Arun DC TPO 1/1985/A
