Dear Sir/Madam,

Please find enclosed a completed planning form for the maintenance of trees in the churchyard of St Margaret's Church. I enclose two supporting documents:

1. Tree risk management report prepared for Newtimber Land Management Limited dated 17th June 2026, which outlines the work that needs to be completed
2. Report on the Health and Safety inspection of trees by Kevin Rodgers dated October 2023, which gives more detailed information about the whole churchyard site.

As the church administrator I am putting this application in on behalf of the trustees, that is members of the Parochial Church Council.

If I can be of any further assistance, please do not hesitate to contact me preferably by email. Many thanks

Yours faithfully

David Boreham – Church Administrator
