Dear Ms Gardner

Planning Application A/134/13
Building of Care Home and Cottages.

I object to this Planning Application for the following reasons:-

The road network is overcrowded, Dappers Lane, Water Lane and Station Road are heavily used and at many times of day queues occur, making the village centre a hazard. Speed limits are ignored by many drivers through the village. The introduction of a Care Home and cottages would only make the intolerable situation worse. Dappers Lane is just that, a lane, and cannot cope with the existing traffic.

The destruction of the copse on the corner of Water Lane and Dappers Lane will be a tragedy as it is a haven for wildlife especially small birds which are already in decline.

Yours sincerely

Julia and David Archer
