Good Afternoon James

Thank you for the information requested.

The Arboricultural Impact Assessment has the trees - G1 - as Hornbeam trees, but in your application they have been described as Hawthorn trees. Please can you confirm the species of the trees and the number of trees to be removed.

Please could you also provide a location/sketch plan with road names clearly labelled. Alternatively, the trees can be clearly labelled/highlighted on the aerial photo within the assessment.

Kind Regards

Nicky Moore
