Block Plan

Please submit an electronic block plan with dimensions from the proposed building to all site boundaries in pdf format at a scale of 1:500. Further details of what must be included on the plan can be found in the Validation Requirements List.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **8th October 2025**. If this information is not received by this date, I will close the file as incomplete and where a fee has been paid, will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. Once closed, if you wish to continue you will have to submit a fresh application.

If this letter has crossed with you providing the information, please ignore it.

Yours sincerely

Neil Crowther
Group Head of Planning
