Application Ref: A/4/18/PL

Dear Mrs Gardener

We refer to our recent telephone conversation.

The background is that there is a condition 3 on the Decision Notice that requests that *"Prior to completion of the construction of the pond there shall be submitted to, and approved by, the Local Planning Authority, a landscaping scheme etc etc"*

As explained during our telephone conversation the club has recently had a change in management and we believe that this request was not submitted at the appropriate time although the club has now completed the construction.

Your recommendation was that Ham Manor Golf Club completes an "Application to discharge a Condition".

Attached therefore please find a copy of the following:

1. Completed Application.
2. Document titled "Landscaping Scheme". We believe this is a document that should have been sent to you.
3. Document titled "Landscaping Status, August 2020". It is a document created at this time illustrating the completed work and landscaping.

Thank you for your guidance and we look forward to receiving confirmation that these documents conclude our obligations for this project.

Yours Sincerely

John H Wootton
Club Captain
For and on behalf of Ham Manor Golf Club.
