Response

This is an established parkland site where the surrounding landscape is intrinsic to its purpose. The structural landscaping which has been undertaken to a high standard and confirmation detailed in Landscaping scheme and landscaping scheme status report has resulted in suitable landscape enhancement to existing detailing works to be undertaken and complete. I can confirm that the information submitted is satisfactory to **recommend the discharge of Condition 3** imposed under ref A/4/18/PL.

Recommendation/Conclusion

Recommend discharge of Condition 3 landscaping imposed under ref A/4/18/PL on this application A/138/20/DOC
