Dear Dan,

I hope you are well.

I have received the attached comments from the Tree Officer in relation to the above tree works application at The Firs.

The Tree Officer has advised that the description of works needs to be amended to remove items T1 and T2 from the proposal in order for the application to be approved.

If you could please agree to the revised description to remove items T1 and T2 from the proposal by response to this email, it would be appreciated.

Kind Regards,
Freya
