Subject: Prior Notification Of Works To Tree(s) In A Conservation Area - A/141/21/TC

Application ref: **A/141/21/TC**

Location: Chapel Cottage, Station Road, Angmering, BN16 4HW

Works proposed: Re-pollard to previous points 5no. sycamore trees within the Angmering Conservation area

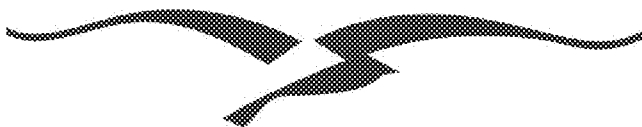

I visited this location on 21st July 2021, to determine the aforementioned Town & Country Planning Act 1990 (as amended) s211 Notice.

I am satisfied that the works proposed are justified and if undertaken to a high standard and at the right time - will not result in character of the surrounding area being unduly diminished.

I raise **No Objection** to the works that have been applied for and see no reason to make a Tree Preservation Order in this instance.
