Hi Andrew,

Although the symbol for the 2.0m high existing fencing to be retained was identified in the key and shown on the proposed site layout & detailed landscape proposals plan it was quite difficult to see due to the thickness of the broken line.

I've therefore increased its thickness on the plan and attach a PDF copy of our drawing no. TDA.2315.03 (Rev. D).

I trust the proposals are now acceptable.

Kind regards

Rhodri

Mr. Murdoch,

The amended plans do not confirm that the 2 metre perimeter fence as existing around the site is to be retained. Can you please clearly indicate this on the amended drawing

Thank you,

Andrew Wood

Hi Angus,

Please find attached a PDF copy of our drawing no. TDA.2315.03 (Rev. B) which has been amended as requested by Mr. Andrew Wood in his email of the 18th April 2018.

As you can see from the drawing it is now proposed that all existing boundary planting is to be retained.

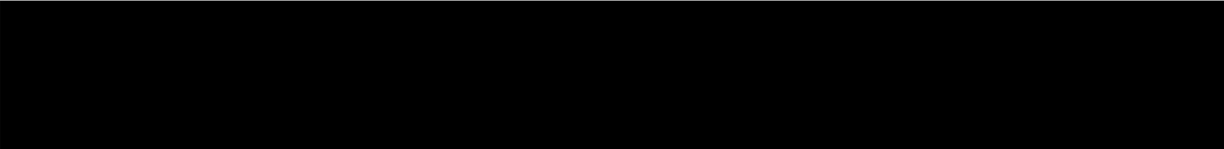

I trust the scheme is now acceptable and will be looked at much more favourably by the LPA.

Kind regards

Rhodri
