Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: A/142/25/DOC  
Site Address: Wilmington Arundel Road Angmering BN16 4ET  
Description of works: Approval of details reserved by condition imposed under A/44/24/PL relating to condition 3 - Biodiversity Enhancement Layout.

Thank you for your internet representation made on 16th October 2025 which has been recorded as an objection with the comments as follows:

OWPC79293

APC supports the statement by Ecology. However, condition 3 clearly states that "prior to any development above damp-proof course level a Biodiversity Enhancement layout providing the finalised details and locations of the enhancement measures contained within the preliminary ecological appraisal shall be submitted and approved". APC must point out that full construction has been made prior to this layout being submitted.

Your views as made above will be considered before the application is determined.
