Good Morning Stephen

Thank you for your email.

Please could you confirm the crown reduction on a tree by tree basis at the point the works will be undertaken.

Kind Regards

Nicky

Hi Nicola,

Please can you confirm if you want this reduction figure provided on a tree by tree basis or an overall approximation across the whole hedge ensuring that a balanced shape is left, any cuts will of course be made to the nearest practical growth point.

In addition to this please advise if this is based on the current size of the tree or at the point in time when works are undertaken accounting for growth in the intervening period.

If the authority have a view on what this should be then please do advise. (I suspect someone in the team has recent knowledge of this as it was no doubt inspected prior to the TPO being confirmed)

Best regards
Steve
