Dear Mr Elsey,
I am still awaiting the comments of County Highways in respect of condition 8, but in the meantime please see the comments of the environmental health officer below.
Can you let me have a revised Construction Management Plan incorporating the requested amendments within the next 10 days?
Regards
Anita

Dear Anita,

With regard to Condition 8, Construction Management Plan, please could you ask the applicant to amend the document throughout to ensure that it is specific to this site. In particular section 6.16 needs to be relevant to this site, and not just generic.

Regards

Fiona
