Dear Mr Chamberlain,

I have noticed that application A/144/20/PL has the following description

'Variation of condition 2-plans condition, following the approval of A/9/19/PL for substitution of first floor plan, second floor plan, roof plan, proposed elevations, south & west elevations, north & east elevations & proposed elevations.'

I don't think that is correct. I believe you are seeking changes to accord with details approved under A/9/19/PL. It should refer to variation of condition 2 of planning permission A/51/18/PL (APP/C3810/W/19/3220233). Do you agree? If so I will amend the description accordingly. I will need to check with my Team Leader if an amended description will require re-advertising/re-notification. Please can you confirm whether an alteration to the description is required by return?

Regards

Anita Gardner
