Subject: RE: Section 211 Notification - St Margaret's Church Angmering - Silver Birch

Hi Ian,

On discussion with colleagues, we don't think the 7 day notice will be suitable to commit to a reduction of said Birch tree. As this case is concerning a small area of the crown interfering with a neighbouring structure, it would not be applicable to allow a full reduction on this individual for 'safety reasons'. I am happy to approve the removal of all material that is overhanging this chimney on the 7 day notice. As we are not content with a written 7 day notice for the reduction, an official application will have to be made through the usual channels. If you require any further information please feel free to ask.

Kind regards

Dafydd Lloyd

Subject: Section 211 Notification - St Margaret's Church Angmering - Silver Birch

Dear Sirs

Further to my telephone conversation with your tree officer, Dafydd Lloyd, this morning, please see attached our Section 211 Notification concerning the silver birch in the car park to the church.

Yours sincerely

Ian Wieck
