Ref, A/146/19/PL

I wish to make my objections to the proposed plan.

- To build a 3 x bedroom chalet style home is too big for the proposed site.
- There is no access for construction traffic as my car + garage is out the back of my garden which I use all of the time.
- Bats are present in our gardens of the Heathers and these are a protected species.

Yours faithfully

(4 The Heathers)
